

## Dutch Open Grasstrack 2017

New formula for Dutch Open meetings:

- Every event has the same classes
- The same prize money
- The same time schedule

There will be five or six Dutch open meetings, with the following classes

- Specials senioren
- Zijspannen
- 125cc specials
- Shorttrack 1
- Shorttrack 2

Dutch open events will not be moved if they will be cancelled due to rain. This means riders can plan their International meetings and will not get in trouble if a Dutch open meeting is moved to a different date.

Riders will have to sign up for the Dutch open meetings BEFORE the start of the season. Dutch riders will not be allowed to race in an International meeting if there is a Dutch open meeting on the same date.

In the Specials senioren there will be 15 riders with in every heat 5 riders. The top 10 riders will go to the semi finals, after that will follow a final heat.

The Zijspannen will have 10 riders and also 5 riders in every heat. The top 5 riders will ride a final heat.

International riders can ride in Specials senioren or Zijspannen, BUT only if there are not enough Dutch riders. For International riders it would be a good idea to sign up as soon as possible to avoid not being allowed to race.

For the Specials senioren and the Zijspannen there will be prize money. 10 euro per point. After the season the best rider will receive an extra fee of 500 euro. Internatinal riders will also be given a small fee for travel money.

The time schedule will be as follow (for every meeting):

- 13.00 – Riders presentation
- 13.15 – Start event
- 16.30 – Start final heats

The prize giving ceremony will be directly after the final heat. The riders of the last final will stay on the track, so the ceremony can start as soon as possible.
